

DCC CLUB TOOL-KIT

- DCC has purchased the following tools for Club members to use:
 - Park tools Advanced mechanic toolkit - <https://www.freewheel.co.uk/park-tool-ak-5-advanced-mechanic-tool-kit-qkak5>
 - Jobsworth Bicycle Repair Workstand to hold the bike off the floor, useful for any work, essential for work on transmission
<https://www.planetx.co.uk/i/q/TOJOBRRWS/jobsworth-bicycle-repair-workstand>
 - The Park tools blue book of cycle repair guidance which is very detailed
<https://www.parktool.com/product/big-blue-book-of-bicycle-repair-4th-edition-bbb-4>
 - BBT 29 Park Tool Bottom bracket spanner
<https://www.parktool.com/product/bottom-bracket-tool-bbt-29>
 - BBT 90.3 press fit bottom bracket bearing removal tool
<https://www.parktool.com/product/press-fit-bottom-bracket-bearing-tool-set-bbt-90-3>
 - Proline universal bearing seating/press tool
<https://www.wiggle.co.uk/lifeline-pro-bearing-press-set>
- To borrow these, message GLENN CORNISH on Spond. To make the arrangement we will have a brief SPOND chat. This will serve as a record of the agreement, tools borrowed and agreed time scale for return
- Use of the Club tools is totally at the members own risk & the Club assume no liability as a result of a member using these tools. The club does not guarantee the suitability of the tool for any particular task or bike.
- If there is a tool that you would like the Club to consider purchasing, please contact Glenn. Whether or not to buy the tool requested will depend on factors such as cost, budget position & how much use the tool is expected to get
- HAPPY REPAIRING
